TRAVEL LEAGUE

2009-2010 Tryouts

If you have any questions concerning Travel League tryouts please contact Sue Markos, IYS Travel Director
ipswich@ecysa2.org

Ipswich Youth Soccer Travel league promotes and fosters the game of soccer by providing players the opportunity to experience the game of soccer, continually develop soccer skills and participate in a controlled competitive environment. We strive to promote sportsmanship and character in our players, coaches, parents and fans.

PLEASE NOTE: Although the IYS Travel Board and Coaches try to make sure everyone makes a team, there is the possibility that, owing to space limitations, some children will not. ECYSA limits the numbers of players each team can have on its roster. Participation on a Travel Team requires a commitment from players to play in **both the fall season and the spring season**. Players should not tryout if they cannot make this commitment.
